LET'S GO CRAZY

Bad night last night?

I got it!

Patty's outlook on life.

You think it'll rain?

Guess who!

O-o-o-o-o!

Dear Raiders . . . We are assembled here to get through this thing called school. What a word, school . . . it means 13 years of heck, and that's a mighty long time . . . but we're here to tell you . . . there's a way to beat the system . . . radicalize. A lifestyle of neverending happiness . . . you can always have fun . . . day **and** night. So when you call up your counselor at Wayne Trace High . . . you know the one . . . Mrs. Elaine Harp . . . instead of asking her what you can do . . . ask her what you can't do . . . and do it! Cause things are much more radical than they seem . . . if you're radical, you're one step ahead of the faculty. And if authority tries to bring you down . . . GO CRAZY!!!

Achoo!

And what would you like for X-mas?

I know I put it somewhere.

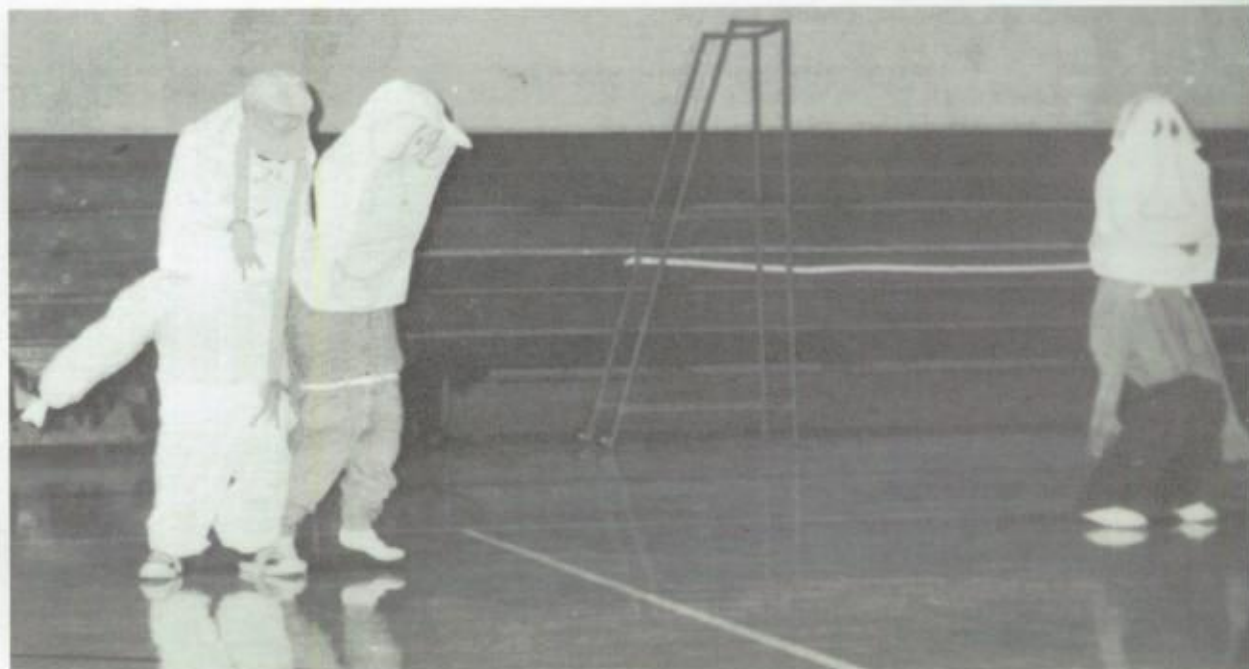

Peace or ears?

Corky gets down.

He-men of 87?

I wouldn't be seen with him either.

Do Something Different . . . Be Yourself

We're supposed to learn that?

Swing your partner!

Leftovers again Dawn!

Do you always dress like that?

Raiders Go With The Flow . . .

Oh, what fun!

No one is too big to help out.

Hurry, we can still save it!

Don't ask!!!

It's snowing!!!

Happy Retirement Edwin "Perk" Leonard

"Perk" ... faithfully serving the Wayne Trace (Blue Creek) school system for 24 years ... not only sweeping the hallways, but drove a bus for 3 years ... all together serving the State of Ohio for 27 years ... put your trash barrel back in the corner and your broom in the closet ... you have a well deserved rest coming to you ... have a wonderful retirement.

FOOTPRINTS

One night a man had a dream. He dreamed he was walking along the beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand, one belonging to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and I would never leave you. During your times of trial and suffering, when you see only one set of footprints, it was then that I carried you."

This yearbook would not have been possible without the help of many people.

First I would like to thank Fritz, our photographer, for putting in many hours taking pictures at our school activities. I would also like to thank all the people who sponsored us with their advertisements.

Next I would like to thank Julie Hartwig for always being there and doing the dirty jobs that fall to the assistant editor. Also to the editorial staff for putting the memories to book. Thanks for always having a smile and making my job more enjoyable.

Lastly, I would like to give an extra thanks to Miss Ruth Warncke, our advisor, for her long hours helping and guiding us.

Good luck to next year's editor and yearbook staff. You'll find it takes time and effort but in the end it is all worth it.

What can I say? Even
though you do put live mice

half to death, you are still a
good friend that I think a lot
of. I'm not even going to say
to enjoy your high school years
